

Charter

It is the mission of CHB Drives to provide variable speed drive owners with the service and support that fulfil their requirements at the right price.

Our vision is to be the world's best medium and low voltage drive specialist company working across all major brands.

Our values:

- **Safety**
We put health and safety as the number one priority for our business.
- **People**
We invest in the best people to offer premium results for our customers.
- **Transparency**
We are open about the way we work both within our company and with our clients.
- **Quality**
CHB Drives work to continuously improve and provide quality services for our clients.
- **Integrity**
CHB Drives will always do what is right and do what we say we will do.
- **Commitment**
We demonstrate commitment by performing our work to the highest possible standards.
- **Accountability**
We will define and accept responsibility and deliver on our commitments.

We are successful when:

- Our staff are together as one team.
- Our team exceed our values.
- Our clients are provided with services to the best of our abilities.
